SANDUSKY	SCHOOL OF COSME	TOLOGY- graduate 1985, vocat	ional class president
Summary-			

When I work with people who come to our church in need, I have to serve them in a manner that is respectful and absent of any judgment. It is something I go to the Lord in prayer about before I meet with them. I think my experience in this area, in addition to my practical skills in the salon, make me uniquely qualified for this position.
